Dear Lion Dipti Ji

My heartiest greetings and best wishes.

Over the years that you have been a Lion, your sense of commitment and motivation towards the cause of the Lions movement has impressed me, and made me believe in your leadership abilities.

Individual commitment to a group effort, this is what makes a team work. With this expectation I have the pleasure and great privilege to invite you to join the District Cabinet for the Lionistic year 2019-20.

In your capacity as **DC - Education** you shall be required to devote your valuable time and to apply your leadership quality in the process of encouraging clubs in conducting their administrative and service activities in a unique and different way.

This letter is being sent to you along with a copy of District Contribution attachment for you to accept and return a signed copy of the letter along with your contribution to Lions District 322B1 Secretariat.

As we embark on the journey towards a new century of Lionism I am confident that, with leader like you, we would be able to do justice to the confidence reposed by the members of our district and to continue to serve the community through our Association.

Thanking you,

Yours-in-Lionism
